Post-Class Survey

Last name: _____ First name: _____

Teacher: _____ Quarter: _____ Period: _____

1. Circle the one statement that best reflects your attitude about school.
   a) I really could care less about school. The sooner I get out the better.
   b) My parents and society require that I go…otherwise I wouldn't be here.
   c) All I want to do is graduate from high school. I do only what I have to in order to get by.
   d) I want to go to college, so I do what it takes to get there.
   e) A good education is important to my future; therefore, I will strive to learn as much as I can.
2. Thinking about your future, circle the highest grade level you plan to finish before leaving school.
   a) I plan to leave school before I graduate from high school.
   b) I plan to graduate from high school and then enter the workforce.
   c) I plan to complete at least two years of college or trade school.
   d) I plan to graduate with a four-year degree from college.
   e) I plan to get an advanced degree (something beyond a four-year college degree).
3. Imagine you are 30 years old. What career do you plan to have at that time?

4. Complete this sentence with a number.

   Between the ages of 18 and 65, I expect to work _____ years at a full-time job outside the home.
5. Describe the life you envision for yourself when you are 35 years old. (Use the back of this paper for more space).

6. What are your plans to make the life you just described a reality?
