Technical Assistance Coaching Package for Get Focused Stay Focused Program and Courses

A Comprehensive PD Plan that Ensures Results

With the consistent support of your assigned Technical Assistance Coach, your Lead Teacher or Lead Administrator will have a virtual helping hand for delivering all of the following events as in-house professional development.

Online Planning Meetings with the Principal and the Technical Assistance Coach

- Complete the **online program assessment survey** with the support of your Technical Assistance Coach
- **Identify a Lead Teacher or Lead Administrator** to collaborate with the Technical Assistance Coach
- Finalize the **Professional Development Annual Plan** for the school

Leadership Institute

- A one- or two-day retreat for your school's leadership team to plan your four-year program using the 10-Step Plan for Implementing a Get Focused...Stay Focused!® Program
- Workshop outcome: The team **creates a customized plan** for the school's implementation using provided print and online workbooks

Prior to the First Day of the 9th Grade Course

- **Whole-School Buy-In Presentation:** A 60- to 90-minute school-wide orientation meeting to ensure everyone on campus understands the vision for the program and is onboard
- **Career Choices and Changes Implementation Workshop:** For freshman course instructors, counselors, and administrators overseeing the program with options for in-person, remote, or self-directed delivery
- **Counselors As Leaders Workshop:** Introducing a six-step plan for the counseling team to promote a distributive guidance model for all stakeholders
- **"Where Do I Start?" Remote Workshop:** An overview of My10yearPlan.com and other online resources presented by the Academic Innovations curriculum and technical support team

By the End of the First Semester of the 9th Grade Course

- **Done-in-a-Day Workshop:** All campus personnel attend a 45-minute workshop during their prep period to learn how to access students' online 10-Year Plans to review data for academic coaching
- **Get Focused Stay Focused Follow-Up Module Professional Development:** For instructors who will be implementing the Follow-Up Modules in academic classes
- **Counselor-Led Workshops:** Counseling team facilitates practice with role playing how to use My10yearPlan.com for academic coaching and advising

At the End of Year 1

- **Evaluation Meeting with Stakeholders:** Gathering feedback on the program via Zoom meetings
- **Evaluation Report:** Metrics such as attendance, dropout and suspension rates, promotion rates, GPAs
- **Recommendations for Next Year:** Presented to the principal and your school's leadership team

Other Support Throughout the Year

- **Monthly Check-Ins:** Regularly scheduled remote meetings with instructors and counselors
- **Personalized Interventions:** In the event of challenges, providing timely support
