Hierarchy of Needs for the *Career Choices* Series

for implementing a course that impacts

college completion rates

Each student completes a meaningful, online

Academic Integration

10-year Plan

Quality workshops or online

professional development.

...provided for an

enthusiastic instructor

lesson plans...

...taught sequentially

from Chapter 1 to the final chapter

Every teacher has an Instructor's Guide...

...for daily reference

to Section Four

Adequate classroom materials*

...taught for a minimum of

60 hours (secondary)
48 hours (post-secondary)

Course Resources

Course Strategies

^{*} Every student has a copy of the textbook and their own consumable workbook so homework can be assigned. Completed workbooks are then used as an advisory tool by 10th, 11th, and 12th grade instructors.
